

APPLICATION FOR THE PICPA GROUP TERM LIFE INSURANCE PLAN

Please note:

You will find two applications with this brochure, a short form and long form application. If you are applying for the guaranteed issue amount or less (**must be eligible – see brochure for amounts and eligibility**) you need only complete the short form application.

If you are applying for a benefit amount of more than the guaranteed issue amount, **but are also eligible for the guaranteed issue amount**, you should complete both forms. If the higher benefit is not approved, the short form application will allow the guaranteed issue benefit to be processed.

Please return completed forms to:
